The Purpose of the Beacon Newsletter shall be to promote social, recreational and Park activities, and to promote relationships and goodwill among residents. The Newsletter shall not include editorials or opinion pieces.

## Beacon Distribution

The Stonehedge Beacon is published monthly to keep you posted on Park News and Activities.

The Beacon is available in color electronically at [stonehedgeonthehill.org](http://stonehedgeonthehill.org). It will be available in a box placed at the mailboxes and inside the Clubhouse. If you are unable to pick up your copy of the Beacon, we can arrange to have a copy delivered to you.

## MANAGER'S KORNER

December 2020

Tony Toscano

Hi to all. I want to thank you all for the past 14 or so years. I am not going anywhere - yet- just want to be thankful to what I have and what I have been provided with and what the residents over the years have provided me with. Thank you.

I am writing this a few days before Thanksgiving and have been put in a somber mood. I will be going away - (not put away haha) up to our friends farm (not the funny one yet) in Old Town Florida for a 5 day "away from it all" trip with a bunch (20 or so) old Hippie friends. Organic and other foods, foraging for some other edibles, huge campfires, and some drink-induced singalongs.

Sections of our group stay at the farm in the main home or other places built on the property like the Purple Palace, the Slanty Shanty or just camp out. This trip some of us will be staying at another Ranch. This Ranch is a multi-acre working farm property with 4 different quaint places to rent. From park model mobiles to Ole' Earls Cabin. We have been going there for years. A hidden gem of a place whose owner made us feel at home from day one. Debbie, the owner, is a wonderful person, an old world sun-soaked soul who many would call tough as nails but if you knew her she is the kindest most sincere person who would literally "give you the farm". Our group just found out that she is ill, and things do not look well for her future on this earth. The reason for my somber mood. Without a second thought when her daughter told me the news an instant "tell her we all love her- she has been like family" came out- her daughter started to cry. I speak for our group who new her. After this news settled in, I realized that aside from the sadness, a feeling of elation came over me. I have been blessed to have known this woman and that she had treated me, my wife, grandson, my mom, and friends like family.

I was thankful that I got to know her and for that I am a better person to others. I firmly believe you take a bit of someone you care for with you, the part you take is up to you.

I took the time to say a prayer but took more time to silently thank her for being the person and friend she was to us all.

This was my Thanksgiving. Find yours and say "Thank you" to those you have known and loved that are here or gone because whether you know it or not, they will always play some small part that makes you, you.

### General Reminders:

Tree Trimming - as I write in progress - let me know of any issues that have not been addressed he will not be completely done till the second week of December - due to a planned vacation

Pictures for Gallery: Any of our local artists can display their works in our Cardroom gallery

Movies for our Library: Our movie library has expanded to 180 selections. Keep 'em coming. We have a great selection

Front Handicap Door Donations- Currently we have over \$1,700 in donations and will be accepting until we reach out goal. Keep it coming if you have it \$1 and up.

### Homes for Sale -- We have a variety to choose from --keep letting friends and family know that Stonehedge is "a Great place to Live"

Unit 11- \$94.5 K by owner Unit 188- \$92.5K by owner

Unit 20- \$69.5K

Unit 189- No Info

Unit 119- \$72K (CP)

Unit 198- \$69K (CP)

Unit 129- \$53K (CP)

Unit 200- \$92K by owner

Unit 176 - \$78K

Unit 236 - by owner

### **Be kinder than necessary because everyone you meet is fighting some kind of battle**

Laugh when you can, Apologize when you should Do not dwell on what you cannot change, Let go of what you cannot control, Take charge of what you can.

Make forever moments whenever, Safe travels, love life.

# Merry Christmas!

Tony

## HELLOOOO NEIGHBOR!

It's so nice to have you back! We begin our season this year with safe distance and masks. Below are the activities the SRA has planned for 2020.

**Dec 6...** Golf Cart Parade hosted by Jeanne Price and Larry Davis. Sign up in clubhouse now and on December 6, Line up in golf cart at clubhouse at 5:30pm and parade starts at 6 pm. No party afterward this year.

**Dec 14...** Trivia Night a free event in the clubhouse begins at 7pm. Each team may have eight (8) members.

**Dec 24...** Luminaries... Watch the bulletin board for more information to come.

**Dec 31...** New Years Eve Party sponsored by SRA. In the Pavillion area. Bring your own chairs. Music by Scott Fallon, Tickets \$10, on sale Dec 9 & 16 during coffee & donuts. BYOB and snacks! Should be a great way to bring in the New Year!

Due to COVID 19, no Bingo or Shuffle (League) games this year. (but see Larry Davis' announcement regarding in-house competition in this issue)

SRA committee members are meeting to discuss 2021 activities that are safe with no food. Involved activities will be limited. If you have an idea please contact an SRA committee member.

Again the SRA is excited to see you back at Stonehedge On the Hill and encourage you to join our SRA Committee. Applications must be submitted by December 15.

If you haven't been to Coffee on Wednesday yet, we encourage you to come and hear the latest announcements, have a donut, coffee, and share your big smiles.

See you around,

**Marlene Hall, #47**

## SHUFFLE NEWS

First, thanks to all the players who participated this past Monday (Nov. 16<sup>th</sup>) in our first team event of this season. Due to the corona virus, "league" competition has been canceled but is expected to return, hopefully, in November of 2021. Therefore, our Stonehedge team has decided to have an inner team competition and mentoring program for new and novice players. Many of our team players have returned from the North, and we are beginning daytime play and mentoring new players each Monday from 10:00A until about 1:00P. All are welcome to participate, weather permitting. Thanks for all who participated on Tuesdays and Thursdays in "Fun Shuffle" this past summer. "Fun Shuffle" will return next summer. The courts are still open as usual for play and practice to residents and their guest only. Keep Shuffling! **Larry Davis, # 214**

## "WE ARE CANADIAN"

*"Hi all! Hear you have been missing the Canadians. Check this out to see what we are all about!"*  
<https://canadiansatarms.ca/we-are-canadian/>

The text above is an email, sent to us "Hedgers" by **Lynn Dunstall (# 76)**, prompted by a question we asked as to how many Stonehedge residents were Canadian. She tells us that she and Owen came up with 12 families. If you click on the hyperlink at the end Lynn's email (or copy and paste it into your browser), you will be taken to a website that, among other things, includes a stirring song and video which highlights Canada's many contributions to history. As we are all well aware, Covid has made travel to the US very difficult. Yes, Lynn, we miss you all and look forward to better times. Stay safe!

# Happy Birthday

## DECEMBER ANNIVERSARIES

# HALLOWEEN PARTY PICTURES 2020

Pictures thanks to Jeanne Price

Welcome to the fall season in Florida. No real difference from past seasons. At this point we should all know how it works and how we should work to take care of our yards.

As you may have noticed the trend in Florida and the subject of these articles, as with any lush flowering garden or healthy lawn, you are always preparing for the next season ahead. What you do today to your lawn and plantings you will see the results in the next quarter.

Actually, it's what you do today, if done correctly, you will not see in the next quarter – and that is bugs and disease.

**We are in a great period of the season – not too cool- not too hot. This will give you the time to make the adjustments to your lawn and garden feeding system. I repeat- this will give you the time.**

*Just like your body, your plants have to adjust and will go thru a short stress period. If they were not healthy, that stress period takes more of a toll on them and you will see damage. So, keep an eye on your lawn and shrubs during this change in weather.*

*This is the time that you need to be positive that your sprinkler system is operating properly on a regular (weekly) basis. The lawns are used to getting the natural rains of the summer and they still need a good healthy dose of water (about 45 minutes a zone-1hour for rotor zones) once a week.*

*If they are starved of nutrients that they are used to, then your lawn is just like a wounded animal and subject to prey.*

***NOTE- DO NOT PANIC –This is the start of the semi-dormant season--if you see some browning or lack of growth over the next few weeks – this is natural when we get night temperatures in the 60's and 50's. most yards during this period only need to be cut 2x per month since growth is slow.***

The stress levels of your lawn have started to slow down as well as the feeding habits of invading pests. Please do not be confused, this is just the start and the changes to the naked eye will be evident, such as slower growth of grass and shrubs, but that does not mean the critters that invade your lawn have stopped eating. They're out there.

A onetime watering for 45 minutes will force the roots to dig deeper for the water, by watering for a lesser time will keep the roots near the surface and making them more susceptible to burn in the summer or freeze when there is a frost and easy prey for surface critters and fungus. Watering for an adequate time once a week is far more important than watering multiple days.

A blanket coating of a pesticide/fungicide liquid will also help greatly. Some of the better do-it-yourself products are made by Bayer and Spectracide. These products will not harm your lawn if over sprayed, BUT please read the directions, there is no need to put more chemicals into the environment than necessary. If you feel the urge to fertilize, use a fertilizer with a higher last # (Potassium). This will allow your root system to strengthen for the winter season. Proper watering will also allow the roots to go deeper and avoid any frost we may get.

**I cannot stress the importance of mastering the operation of your sprinkler system especially during this recent dry spell**

What to get out of this is to make sure your sprinkler systems are in full working order.

**Sprinkler systems 101.** First ask yourself how likely are power surges in Florida? Now that you know it's pretty much an everyday occurrence here please read the following simple advice about your sprinkler system.

Your sprinkler timer **MUST** have a good battery in it, change it every 6 months. The battery **ONLY** holds the time settings during power surges. **IT DOES NOT RUN YOUR SYSTEM.** The battery, although it's a low voltage system, does not have enough umph to open or close your valves. Also, if the battery is bad, a power surge

will reset your timer to the original factory settings which are 10 minutes per zone 7 days a week. If the battery is good the proper settings will hold.

It is highly recommended to get a cheap (\$8-10) surge protector and add it to the system. During power surges there is a very good likelihood that the small fuse will burn out in the timer. If this happens your system will not work at all. This surge protector is a cheap addition as opposed to a dead lawn replacement. There is also the possibility of burning out the transformer, although less likely, it's a possibility. Simple items, simple fix. Low cost.

### **This is a must**

Clean the grass that has grown up around your sprinkler heads. Overgrown grass inhibits the water flow that covers your entire yard, those areas not covered will turn brown and die and/or be susceptible to pests.

Make sure there is proper coverage. Every sprinkler timer on the planet comes with a MANUAL program. This is so you do not have to run out in your undies at 3AM to see if your system has no broken or grass covered heads. It can be done anytime you want by the simple push of a button or 2. Any system can be checked in about 4-5 minutes, tops.

Now is also the time to freshen up the mulch in the flower beds. Again, a good 4 inches is recommended. This will not only prevent some weeds from germinating but also retain water in the soil. Remember keep the mulch about 2 inches from the trunk of a tree or stem of a bush. The plant tends to rot if the stem stays wet near the base for an extended period of time.

I will be reminding you throughout the fall and winter months to keep an eye on your scrubs and flowering plants. If they are not filled out as you are used to or there are areas of dead branches and bear at the base, this may be signs that they have lived their life or they are in the incorrect spot in your yard. We will investigate the issues in future articles

More on fall and winter gardening in Florida in the next article

See you next month

It's a good day on the green side of the grass

NOTICE OF INTENT

TO BE A CANDIDATE FOR SRA BOARD

I (print name) \_\_\_\_\_

hereby place my name for nomination as a candidate for the Board of

STONEHEDGE RECREATIONAL ASSOCIATION

The Board consists of Seven Members: 6 which serve a 3 year term and 1 more who serves as a 1 year Member at Large. Positions on the board are voted on by these seven members.

# LOOKED UNDER YOUR MOBILE HOME LATELY?

Missing or torn insulation and vapor barrier can allow moisture, mold and mildew to build up, and provide access to insects and rodents into your home!

*Call today for a FREE Under Home Inspection*

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,  
The Florida Anchor & Barrier Team*

To our valued customers;

Our top priority is the health and safety of our employees and of our customers. Our employees are closely following the Centers for Disease Control's (CDC) guidelines and recommendation, like frequent hand washing, social distancing, and staying home if they are feeling ill.

We have taken steps to limit exposure to the virus by making our customers aware that there is no need to have any contact with our employees if you choose to do so. Our business falls under the state's guidelines as "Essential Business".

We want to build a great customer relationship with you. Call today for a Free Inspection. (800) 377-7885.

Stay Safe and continued Good Health.
