**The Southwest Florida Water Management District (District) Governing Board declared a Modified Phase II “Severe” Water Shortage** due to dry conditions throughout the region, which requires all residents, including those on private wells, in the cities and counties listed below to follow one-day-per-week watering restrictions.

**The restrictions apply to** all of Citrus, DeSoto, Hardee, Hernando, Hillsborough, Manatee, Pasco, **Pinellas**, Polk, Sarasota and Sumter counties; portions of Charlotte, Highlands and Lake counties; the City of Dunnellon and The Villages in Marion County; and the portion of Gasparilla Island in Charlotte County **from Feb. 8, 2026, through July 1, 2026.**

The District received below average rainfall during its summer rainy season and currently has a **13-inch regional rainfall deficit** compared to the average 12-month total. In addition, water levels in the District’s water resources, such as aquifers, rivers and lakes, are continuing to decline and many are below normal. Public water supplies in the Tampa Bay area are lower than expected at this time of year. **Outdoor water use accounts for more than 50% of water consumed by households.**

Other activities listed in the Water Shortage Order include:

- Low-volume watering of plants and shrubs (micro-irrigation, soaker hoses, hand watering) is allowed any day and any time.
- Annual pressure washing or in preparation for painting and sealing is allowed.
- No HOA or other entity shall enforce deed restrictions or other community standards requiring an increase in water use, including replacement of plant material to meet aesthetic standards or pressure washing.
- Car washing at home (non-commercial) is only allowed on your lawn watering day and you must use a hose with a shutoff nozzle.
- Aesthetic fountains are limited to eight hours a day

For additional information about the Modified Phase II Water Shortage Order, visit the District’s website [WaterMatters.org/Restrictions](https://WaterMatters.org/Restrictions). For water conserving tips, visit [WaterMatters.org/Water101](https://WaterMatters.org/Water101)

## February 2026, Beacon Managers Corner, Retraction Regarding Yard Waste

First, let me apologize for adding more confusion to the yard waste collection issue.

After having verified through their website and fliers and then speaking with Waste Management before publishing, I was instructed multiple times that yard waste was to be placed at the curb with the Thursday recycling.

After receiving feedback from several owners, and one who spoke with a gentleman who was on the collection truck, I called the head of the sanitation department. After researching the issue, he informed me that Stonehedge is a Special exception.

Stonehedge is one of only two communities in the Tarpon Springs area that do not have garbage collection service twice a week. If we had twice weekly, then everything we have been told, and I have pushed at owners for the last several months, would be accurate.

However, with our garbage collection service being once a week and no budget to increase costs for a second pick up, **THERE IS NOT SPECIFIC YARD WASTE COLLECTION FOR THE STONEHEDGE COMMUNITY. ALL YARD WASTE IS TO BE PLACED IN PLASTIC BAGS, CURBSIDE FOR MONDAY GARBAGE PICK UP.**

Again, my apologies for the confusion.

Lisa Curry, Community Manager

## **STONEHEDGE PET CORNTER**

Maisie is a 7-year-old mixed-breed rescue dog. She would have been called a mutt in the past, but we have moved far beyond that verbiage now. She loves humans and is always looking for a back scratch or a treat from everyone she meets. Maisie loves long walks...or just laying next to her dad on the couch She has a basket full of “babies”, or stuffed animals and she will patiently paw through the pile until she finds the one that she wants. Her special talent is being able to pull her blankets over her back at bedtime. Some may say that she’s just a dog, but to her parents, Debbie and Steve, she is part of the family.

The Dog Lovers of Stonehedge decided to ask for stuffed animal donations, which would be provided to the Tarpon Springs Police Department. The officers carry these animals in their cruisers and provide them to children in our community who have experienced a traumatic event. This small gesture pays off in so many ways. Several dozen animals were donated by members of the Dog Lovers group...and others who just wanted to show a bit of kindness. Because of your generosity, my wife, Debbie and Bonny Layton were able to meet with an officer and pass along all the stuffed animals. Thank you to everyone who was kind enough to donate. You did something good and that kindness will be passed on by an office in coming days and weeks. Some child you will never meet will be a recipient of your good will.

Steve Webster
